

Deluxe Homes Interior Design

Onboarding Packages

Our comprehensive services

What we offer

We offer all-inclusive and turn-key property onboarding packages that are tailored to meet the DET holiday homes requirements. Our professional team of in-house designers and carpenters, trusted suppliers and contractors will make the furnishing and onboarding process a hassle-free and stressless experience.

A full range of

Provided Services

1

Initial property inspection and property measurements.

2

Design and concept development.

3

Communication with contractors and suppliers, selection of materials, fabrics and samples.

4

Arrangement of payments to contractors / shop / retailers for the provided services and products.

5

Coordination with delivery team from each supplier/product.

6

Obtaining movie-in permit from facility management company for each delivery.

7

Installation of wallpapers, curtains, wall art, lighting and minor maintenance works.

8

Supervision of each delivery by an assigned team member to ensure the ordered products are in good condition.

9

Conduction of a final inspection and an inventory check as per DET standards.

10

Full deep cleaning of the property, bedding supply and setup.

11

Final property setup, styling and staging for the photoshoot.

12

Arrangement of a professional photoshoot guided by an assigned team member.
